A Principal's Prayer
I want to teach my students how
To live this life on earth,
To face its struggles and its strife
And improve their worth.
Not just the lesson in a book
Or how the rivers flow,
But how to choose the proper path
Wherever they may go.
To understand eternal truth
And know the right from wrong,
And gather all the beauty of
A flower and a song.
For if I help the world to grow
In wisdom and in grace,
Then I shall feel that I have won
And I have filled my place.
And so I ask your guidance, GOD
That I might do my part,
For character and confidence
And happiness of heart.

Welcome Message from the Host Zone Coordinator

Warm greetings dear members of this lively, challenging and warm community of the ASISC, Bihar and Jharkhand Region.

I am looking forward with immense ebullience to being your host at Patna in Bihar, the centre of power, learning, and culture, the Land of the Buddha and Lord Mahavira, the birthplace of Jainism and Buddhism, the birth place of the tenth Sikh Guru - Guru Gobind Singh, the home of the oldest Hindu temple, the Mundeshwari Devi Temple located in Kaimur district, the land of the people who are considered to be excellent in Mathematics, the IAS producing factory, the land which has the world's longest Wi-Fi range of 20 kms in Patna, and the land where we have the famous Nalanda University where the library was so huge that it kept on burning for three months, destroying nine million manuscripts. Above all, the land of Litti Chokha and Chana Ghugni.

I hope you are as excited, as I am, to be joining us for the 36th ASISC Regional Conference of the Bihar and Jharkhand Region to be held on 23rd and 24th September, 2024 at Hotel Taj City Centre, Patna.

As we look to the future, we are faced with increasingly complex challenges that will require innovative solutions. The ability to think creatively and critically will be essential for the next generation to tackle the problems of tomorrow. This idea resonates with the theme of this conference, "Fostering Creativity and Critical Thinking, Shaping Tomorrow's Mind".

So, let us commit ourselves to achieving this vital objective. Of course, fostering creativity and critical thinking is no easy task. It requires patience, flexibility, and a willingness to step outside of traditional educational models. However, the rewards are immeasurable. When we invest in the minds of today's youth, we are shaping the future of our communities, our countries, and our world.

Hence, it is with great delight and great expectations that I hope to see you at this congregation of intellectuals, thinkers, inspirers of dreams and creativity, bringing with you your share of passion and energy to realize our common goal.
